

HOW TO USE ...

TARGA MASK SERIES

4587..(Blue Core) ,4588..(Blue Mask), 4589..(Sun Core Pro)

Apply TARGA BLUE MASK to the area to be covered.

With a sharp pair of scissors or a cutter, the cover sheet can be cut to the exact size required.

After applying the adhesive tape, the film can simply be pulled down. The proven combination of masking film and adhesive tape facilitates masking indoors and outdoors.

Properties: Due to the UV-resistant fabric tape, the TARGA MASK can be used indoors and outdoors. For quick and large-area covering. Good adhesion to a wide variety of surfaces. Eh'klar!
